FVKG Presidents' Letter, April 2010

Hello Guild Knitters,

Spring has arrived, and so have the spring lambs. If you take a drive through the countryside, you may see some of these little ones, gamboling around their mothers and siblings. Think wool! More lambs being born all over the world, or at least in the northern hemisphere this time of year, means more fleece which means more yarn for knitters and fleece for spinners. How wonderful for us!

Spring is the time for the FVKG to begin wrapping things up and start preparing for the coming Guild year. This spring, in addition to a slate of new board members to be presented at the April meeting for your approval, this newsletter includes amended Fox Valley Knitters' Guild By-Laws for you to take a look at during the next month. These amendments were begun more than a year ago, thanks to the hard work of Phyllis Deerinck, Barb Harris, Dee Radke and others, and the work was continued and completed by your present Board members. Thanks so much to all who worked on this project, and please forgive us if we have forgotten to include your name. At the May meeting we will vote on approval of the By-Laws as amended. The current By-Laws are posted on the Guild website, fvkg.com in the Members section.

Our Guild's parent organization, The Knitting Guild of America, has posted its current newsletter filled with all sorts of information including an article on machine knitting, information about the upcoming TKGa Conference and some knitting tips and tricks. The newsletter is available at: <http://www.tkga.com/resources/Mar2010Newsletter.pdf>
Take a look!

We are looking forward to seeing you at the April meeting. In addition to our regular wonderful time, there is a different kind of door prize surprise in store for us. Thanks to Judy Jasper for passing along the contact information for these prizes.

See you soon,
Gretl and Dorothy

FOX VALLEY KNITTERS' GUILD MISSION STATEMENT

The purpose of the Fox Valley Knitters' Guild is to promote and foster an interest in knitting, to provide the opportunity for study and sharing to broaden one's skills, and to encourage high standards of design and technique in various forms of knitting.

APRIL 14TH GUILD MEETING PROGRAM AND VENDOR

Both our vendor and our speakers this month will be from Knitche in Downers Grove. The program entitled "What not to knit" will explain how to apply the basic rules of dressing to appear taller and thinner when choosing knitting patterns and yarns. So hold off beginning that project you're just itching to start until we learn how to interpret pictures and schematics!

---Linda Jones

IMPORTANT REMINDER

Please remember to check in at the desk when you come to the Guild meetings. This is very important for us to determine what size space is needed for our Guild. For example, it seems clear that our Guild is growing from our meetings, but the sign-in sheet is showing only an average of 3 more attendees per meeting this year than the previous 2 years. I don't think that is the case, but we need to have accurate data from the sign-in sheets. Thanks!

MEMBERSHIP

We had 5 new members join up in March:

Carolyn Szarmach
Cathy Steinbach
Ellen Freyer
Pati Yartinus
Janet Michelin

Welcome to our Guild! There are now a total of 108 members.

---Judy Jasper, Membership

HOSPITALITY

We're still in need of ladies to bring fruit or vegetables, appetizers or dessert to our April meeting. You can call me on my cell (630-710-4652) or just bring it the night of the meeting. Thanks to those who brought food last month.

---Barb Harris, Hospitality Chair

KNITALONG NEWS

- Our Central Park Hoodie knitalong has generated about a dozen sweaters with more still being completed. They're all beautiful! Our ladies have still been meeting and are working on a variety of projects. We're thinking that our next group project will be mittens starting in the middle of April. We're looking ahead to Christmas presents and a small project that can be taken anywhere as the summer months approach. It can be any mitten pattern that you have, found on Ravelry, etc. I know I've always wanted to learn how to make them and we have some experienced knitters in our group that have. You can always come and join us to visit and knit on your own project. It's a fun group! We meet at Borders on Randall Rd. every Weds. morning, 9:30 - 11:30. Hope to see you there.

---Barb Harris

- The Vivian Hoxbro Knitalong continues to meet on the first and third Thursday of each month at the Arcadium Coffee Shop in St. Charles at 6:30 pm. Come and join us.

A SUCCESSFUL TRIP

Our first regularly scheduled bus trip was a success!

It may have been a dreary rainy day for the rest of Chicagoland, but the wondrous colors of yarn was pure sunshine for our guild! We had folders of patterns for all-many patterns using Lorna's Laces yarns since that was our first stop. We went to the second floor of a warehouse/commercial building and met Beth, her husband and dog named Purl for our private visit. We learned how she bought the business from Lorna Miser, learned the dying process and recipes, and moved it all from California to Chicago. We got to watch her dye an incredibly beautiful yarn and she answered our questions. Then, we got to attack the tables that she had covered with mill ends--at about 45% off the regular prices! It took us a while to check out!! Here is a link to a tour and photos done by Jimmy Bean's Wool!

<http://jimmybeanswool.blogspot.com/2009/12/oh-lornas-laces.html>

Then, our bus driver braved the weather and the St. Patrick's Day Parade traffic to take us to Loopy Yarns--a busy, bustling, big yarn store--with several classes and other shoppers and a basement with lots of sale yarns. We all got a canvas bag with a Franklin Habit drawing on it and a 10% discount (which helps offset Chicago tax). Most of us found some yarn or patterns that we hadn't seen before!

Alot of the restaurants were filled with revelers wearing green, but there were several spots to choose from.

We got home right on time, the bus was comfortable and a few members asked if we could do this again next month!!

LOOPY YARNS

Also, good news knitters. . . Loopy Yarns at 47 W Polk, Chicago has been added to our special list of yarn stores, they'll give us 10% off as Guild members!

MAY MEETING

The May meeting is a hearty appetizer and dessert potluck and a gigantic (hopefully) garage sale of member's yarn, patterns, books, etc. Start exploring your stash and discover what you could part with--for money to buy more yarn of course! You will need to put your yarn into zip lock bags with the price for each bag.

SPRING CLEANING?

Besides cleaning out your yarn stash for selling at our May meeting, consider this! Our meeting site, St. Charles Episcopal Church, is holding their annual rummage sale on Saturday, April 17. You could help yourself by spring cleaning a closet or two, help the folks who need or like to shop garage sales, and help your community as the proceeds go to outreach in the tri-cities community. Bring a bag or two of things you no longer want or need to donate at our April meeting. You can pick up a receipt for your tax records.
